To all HKMMA Members and Friends,

Hong Kong Myanmar Manufacturers' Association (HKMMA) organizing 「Myanmar Study Tour」

Due to Myanmar's low tax policy, many Hong Kong garment companies have set up factories or planned to invest in Myanmar. To gain an in-depth understanding on the factories' situation and obtain the latest investment information in Myanmar, HKMMA held a study mission in May 2016 and the responses were overwhelming. **HKMMA will organize another Study Mission to Myanmar from 23-27 Nov 2016, which has cordially invited Hon Felix Chung to join. The study mission itinerary includes visiting the business environment and local factories, as well as meeting with local government officials or professionals to exchange views.**

Date : 23-27 Nov 2016 (Itinerary will send to all participants one week before departure)
